ACTIVE TOOL SUITE

PATENTED

Bringing together the best of high tech to create a more humane, more secure and more efficient electronic offender monitoring system

The **Active Tool Suite** is a disruptive electronic offender monitoring system based on an offender smart watch which offers a world of new possibilities for communication, management and closer follow up of participants. It makes monitoring agents more efficient, improves security, increases rehabilitation rate and reduces recidivism.

MAIN FEATURES

**TEXT MESSAGES
DIRECTLY ON
THE WATCH**

AUTOMATIC ALARM MANAGEMENT

The system manages by itself simple alarms and escalates only important issues to the monitoring officers

Fast and simple
installation
process

REMINDERS FOR APPOINTMENTS

To make sure that
participants show up

**POSITIVE
REINFORCEMENT
AND
GAMIFICATION**

ALARM MANAGEMENT PROCESSES IN THE MONITORING APPLICATION

Actively helps the
monitoring officers
to take the appropriate
actions

GPS and
RF modes

PERSONAL OFFENDER INFORMATION CONSULTABLE ON THE WATCH

Schedule
for the next days

HOW IT WORKS

ACTIVETRACK

is the smart watch securely fitted on the participant

ACTIVEHOME

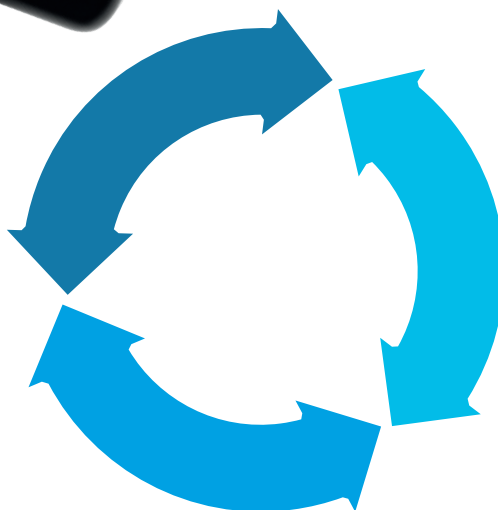

is the home unit used to detect the participant presence at home

ACTIVEMONITOR

is the fast and flexible monitoring platform

ACTIVETRACK

- Securely fitted on the participant
- 1 piece fibre optic strap
- GPS tracking
- Small & discreet
- Screen and buttons
- Up to 72h battery life
- Tampering detection
- Violation detection
- Ruggedized & waterproof
- Communications: LTE and 2G
- Accelerometer
- LED and vibrator

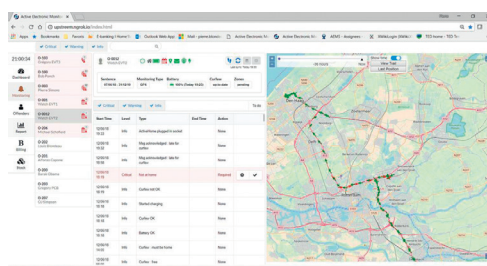

ACTIVEHOME

- Small and discrete
- Backup battery
- Power-loss detection
- Movement detection
- GPS
- Infraction detection

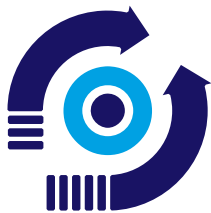

ACTIVEMONITOR

- Ergonomic and intuitive
- Integrated alarm management processes
- Cloud based or on premise
- Secured at all levels
- Very short reaction time
- Extended and flexible reporting capabilities

YOUR ADVANTAGES

- Much more than only a surveillance system : a true digital assistant to rehabilitation
- No stigma for participants
- Fosters compliance thanks to reminders and communication
- The most secure offender watch on the market
